The Memoir & Film

Witness History: Céd Hopkins is the first person to document a deal with the devil.

This memoir and film are invitations to explore the other side of faith. To honor the questions that keep you awake at night. To see beauty where you were told only darkness exists.

UNVEIL YOUR TRUTH

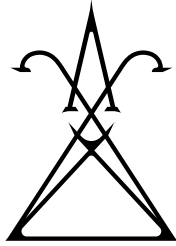

- A MEMOIR AND FILM -

The Adversary's Call

Just as Lucifer defied expectation, so too can you break free from the cycles of indoctrination. What does it mean to reclaim your soul? To question what you've been taught about divinity, morality, and yourself?

Are You There God? It's Me, God. explores these questions in an unflinching memoir and film. It's a journey of self-discovery, rebellion, and ultimately, freedom.

Who Is Lucifer, The Angelic?

Lucifer, often misunderstood, is the light-bearer—the angel who questioned, challenged, and sought freedom. Far from the caricature of evil, Lucifer represents autonomy, curiosity, and the pursuit of truth.

He challenges blind obedience and guides those brave enough to question the paths they've been told to follow.

The Light Within You

Lucifer's story reminds us that we are more than followers—we are creators, dreamers, and seekers of light. His rebellion was not destruction; it was a radical act of self-love and courage.

"When left with only two choices, I choose rebellion. I choose the devil." — Céd Hopkins
